

nha trang

About an hour's flight from Ho Chi Minh City or 4 hours drive from Dalat is picturesque Nha Trang. With its **magnificent beach** and nearby islands, Nha Trang is also famed for the **intriguing Po Nagar Cham Towers**, built between the 7th and 12th centuries. Only four of the estimated original 10 Hindu Cham towers remain and significant restoration work is underway to preserve these **national treasures**.

After languishing for years, Nha Trang Beach is revitalised - emerging as a **world class resort destination**. **Beachfront restaurants, shops** and bars now cater to visitors and Nha Trang is on the move towards international fame.

Go **scuba diving, snorkelling**, take a boat trip to nearby islands, **relax** on the beach, get a **massage**, or soak up the **history and culture** - there's so much to do and see.
